CHAMBER OF COMMERCE MEETING.

Annual election of Directors of the Chamber of Commerce was held Thursday night, January 17, at the Electric Park Dance Hall. Felix Batot and W. N. Batot were re-elected directors.

Other matters transacted were the appointment of Felix Batot, Earl Boon and C. M. Merritt as a committee to collect dues and solicit subscriptions for maintaining the fund for watchman and the street lighting.

As these services are in the interest of the welfare of the present night-watchman, the business people are resolutely, some firms taking the Chamber of Commerce for each individual member.

It is to be hoped that the fund will contribute to the lights and the night-watchman and the street lighting.

THE TELEPHONE MEETING.

On January 12th, the Southern Bell Telephone Co. invited the Rural Line subscribers to meet them in conference at the Chamber of Commerce. As the farmers and their wives entered they were met and welcomed by J. G. Martin, Group Manager, of Uvalde, and Mr. McCormack, Division Salesman, of San Antonio.

The meeting was called to order promptly at 1:30 by C. M. Merritt, Secretary of Chamber of Commerce, who explained the purpose of the meeting.

He then introduced M. C. Brown, District Commerce Manager, of San Antonio, who showed the relative importance of the rural line subscribers and explained the necessity of having a telephone on every farm.

Following Mr. Brown, S. A. Thurmond, District Plant Chief, of San Antonio, explained how service could be improved by putting up their lines in first class condition.

H. B. Barnes, District Traffic Chief, of San Antonio, then explained the method of operating the switchboard. He also gave the correct way to place a long distance call and explained the rates therefor.

Mrs. Callie Bendele, Chief Operator of Hondo, talked on the need of co-operation between the subscriber and the operator. J. B. Hurt, Plant Man, of Hondo, made a splendid talk, illustrated by charts and a miniature model rural line and a telephone properly installed.

Mr. Brown then declared the meeting open for discussion. The farmers, seemed to be very greatly interested, as a number of questions were asked and different problems discussed. These questions were ably answered by Mr. Hurt. One of the farmers arose and expressed the appreciation for the meeting and suggested that each go home and do their part by putting up their lines in good order.

At the close of the meeting light refreshments and cigars were served to about 300 guests.

SCHOOL RALLY.

The school rally, under auspices of the "Hualillo Leaf", came off on schedule time last Friday night at the auditorium. Quite a large crowd of school children and a goodly number of parents and friends of the children were present and several hours were spent in renewing school enthusiasm.

The Hondo Orchestra, composed of Misses Mabel Hollaway, and Lillian Brucks and Messrs. Joe Monkhouse and Otis Schuehle, entertained the crowd with music at intervals during the evening.

Mr. Howell in a few well chosen words, presented the letter men of the Hondo football team with miniature gold footballs, namely: Captain Tony Windrow, Albert Hutzler, Elmer Neuman, Jerome Foster, J. C. Merriman, Earmon Taylor, Alfred Rath, Homer Wilson, Joe Harvey Wilson, Preston Gaines, Earl Earnest, Reinhart Rothe, Dee Holly, Jesse James and Herman Mask; and to the girls who made the basket ball team, namely, Captain Corine Reynolds and Rhoda Mae Taylor, Forwards; Frances Neuman and Bessie Mae Mask, Guards; Annie Frerichs, Lottie Hollaway and Ina Hollaway, centers, miniature gold basket balls were presented. Mr. Howell praised the substitutes on both teams for their constant service to their teams.

After the presentation of letters to the members of the athletic teams, a grab-bag engaged the attention of the school children until it was announced that only a few minutes were left of the time allotted to voting in the High School popularity contest. When the votes were counted it was found that Miss Lucille Ferguson, a ninth grade pupil, had won by a majority of several thousand—the vote standing Lucille Ferguson—11,970; Mary Crouch—7,065.

The voting contest netted the Hualillo Leaf the sum of \$192.80, which will be used for school purposes.

A BOOSTER FEATURE.

Mr. L. E. Hensley, of the Editorial & Ad Writers' Association of Dallas, was here this week and we arranged with him for a series of eight editorials to appear once each week for eight consecutive weeks. The purpose of this series is to encourage loyalty to home enterprises and instill a spirit of community co-operation and thrift. You will find the first of these on the last page of this issue framed by the announcements of those business firms that endorse the purpose of the editorials and who solicit the good will and patronage of the trading public.

Read these articles from week to week, act upon the suggestions contained therein and enter into the spirit of community co-operation which they are designed to inculcate and see if we do not all profit thereby.

CARD OF THANKS.

We take this means of expressing our sincere thanks to our many neighbors and friends who aided and sympathized with us in the hour of our deep sorrow over the death of our beloved wife and mother, Mrs. Anna Christina Balzen. We also thank those who covered the grave of our beloved with beautiful floral offerings. May God's richest blessings rest upon them one and all is the wish of

TO THOSE IN ARREARS.

Most of our subscribers renew their subscription, but there are some who settle up annually in the fall and occasionally some one over-looks this little matter and lets a year or two slip by unnoticed. This little reminder is to request all who can to remember the printer when making their fall settlements. Fair crops and good prices have made money fairly easy for most people. Pay these small amounts to the printer and make it "easier" for him.

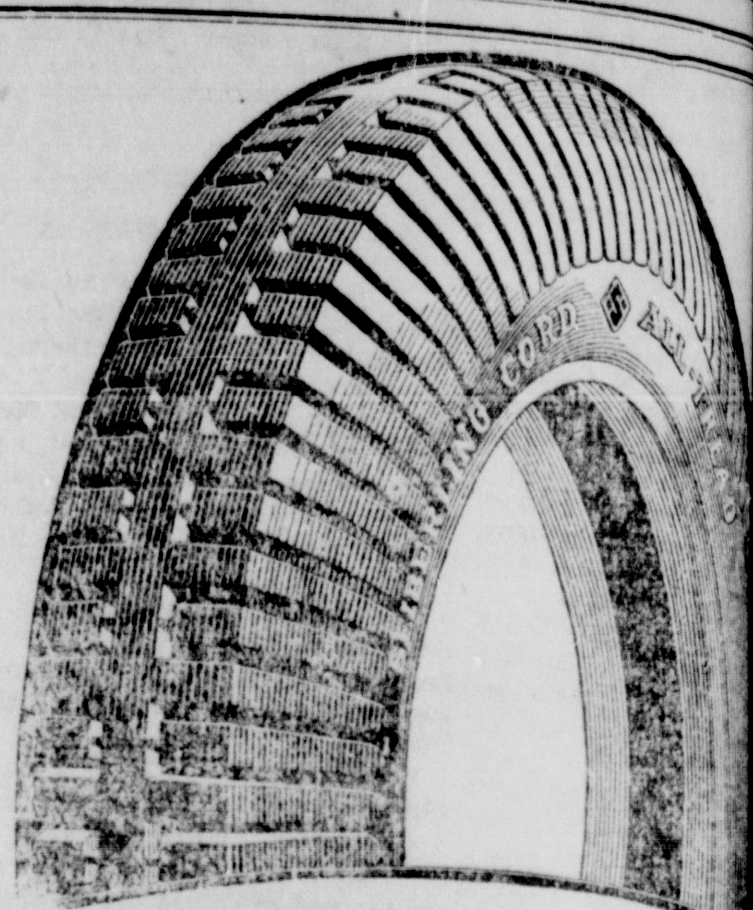

We thank you —now!
Very gratefully, The Editor.

P. S.—Remember that for 50c additional you get our Farm paper with your local paper. Risk four-bits on it and give it a year's trial.

GARNER TO FIGHT MELLON
TAX BILL.
Texan to Insist on Floor of House
Substitution of Own Measure.

WASHINGTON, Jan. 20.—Rates
to govern the Federal Income tax of
14,000,000 persons will enter the first
process of formulation Monday when
the House Ways and Means com-
mittee resumes consideration of the
revenue bill to be reported to the
House by February 11.
The major section of the bill con-
taining all the tax rate features will
come up in executive session of the
committee after a week of public
hearings devoted to requests of va-
rious interests for changes in both
income and special tax rates, and
after a month of consideration of
the administrative features of the
measure.

Regardless of the action of the
committee, Representative Garner
(Dem.), Texas, served notice Sun-
day night that he would insist upon
his bill as against the Mellon plan
on the floor of the House, where
change of the rules has made it pos-
sible to revise rates decided upon in
committee.

Mr. Garner said Sunday that the
Treasury had failed to show where
his plan would not raise sufficient
revenue, and replying to Secretary
Mellon's characterization of his pro-
gram as a "political makeshift," he
said he would seek "a reduction in
the tax burdens of the masses, re-
gardless of how such a move may be
characterized."

Commenting on Mr. Mellon's de-
scription of his bill as "obviously
insincere," Representative Garner
said that "if the Secretary had to
go to the people every two years
for confirmation of his actions, not
only would his sincerity be question-
ed, but his judgement."

In connection with the tax bill,
House leaders are giving some atten-
tion to rumblings from the bonus
group that an attempt will be made
to bring the bonus before the com-
mittee as now permitted under cer-
tain conditions by the new rules.
Such action might work to force con-
sideration of the bonus measure on
the floor of the House before the
tax bill is disposed of. No actual
move has been made to put a peti-
tion in circulation calling for dis-
charge of the Ways and Means com-
mittee from consideration of the
bonus measure, but that course is
expected to be considered by the
bonus bloc at a meeting this week.

Representative Fish, New York,
and Johnson, South Dakota, leaders
of the Republican bonus group, in-
dicated Sunday they probably would
favor giving the tax bill right of
way, as directed by the majority con-
ference, unless it develops that the
bonus measure would not be reported
soon after the revenue bill. Two
options are open to force considera-
tion of the bonus measure, they said,
in case it is unduly delayed—adop-
tion of a special rule to bring it up
for consideration on the floor or
discharge of the committee by a vote
in the House.—San Antonio Express.

**IN LOVING MEMORY OF OUR
MOTHER, ELIZABETH F.
TAMPKE.**

Dead, yes dead, do we call her;
Mother, oh, must this be you?
A flower faded and vanished,
A heart that was tender and true.

Gone, yes gone, she has left us;
Mother, forever we did part,
Joy or sorrow does always come,
Sorrow for us is very hard.

Heaven, Heaven, we wish her,
Wishes yes not a few,
Children sad and lonely,
And grief stricken too.

True, yes true, she was to all,
Smiles forever upon her face,
Sorrowful we looked upon her face,
E'er was given her resting place.

May you be strong to bear this grief,
And may the refreshing thought
Fill your hearts with joy that in the
future

We will all meet with our loved
ones in Heaven.

From her dear daughter,

**BUY IN SAN ANTONIO AND GET

Lower Rates—Quicker Service
Greater Stocks.

Throughout Texas there is an un-
precedented period of prosperity,
an unprecedented desire on the part
of the consumer to buy many things
he may have done without before,
or that he may have bought aparing-
ly. According to reliable authori-
ties, the biggest selling season of
years is approaching. The wise mer-
chant will stock his store and stock
it good and plenty.

Realizing these facts, San Antonio
manufacturers and jobbers have lar-
ger and completer lines on display
than they ever had in their history.
Many merchants in this community
have already made reservations in
San Antonio during February 4th
to 18th when the Retail Trade Meet-
ing will be held. At this time Fred
P. Mann will make talks and mer-
chants from all parts of South Texas
will participate in discussions about
business and community problems.

The Retail Merchants' Convention
in San Antonio will also provide the
merchants of Southwest Texas with
an opportunity to see the wonderful
lines that the San Antonio houses
have in readiness. The clothing
jobbers and manufacturers of San
Antonio will have Spring Style Shows.
There will be unusual displays of all
sorts of fabrics. Everything that
the Southwest buys will be shown
in large quantities and in unending
variety.

The opportunity of the year is at
hand. The merchant who misses out
now will have to wait a long time
before he can catch up with his com-
petitor who took advantage of buy-
ing in San Antonio and who was
able to give their customers what
they wanted.

Mr. and Mrs. Chas. Eckhart were in town Saturday from their ranch on Middle Verde.

Charlie Schott was up from Red Bluff Saturday and informed us that he has purchased 100 acres of land from Ed Edwards, which joins his ranch property.

J. G. Letcher was up from Pipe Creek Saturday and paid us an appreciated visit. Captain Letcher is an old time trail driver and relates many interesting anecdotes of his experience in the early days.

And Bandera county has a new oil test well started. The Humble Oil & Refining Company spudded in at Vanderpool last Friday. With the standard rig they are using it is predicted they will go to a depth of 3,000 feet inside of ninety days. We are all hoping they will bring in a gusher.

John T. Wright Dead.

We regret to chronicle the death of Captain John T. Wright, one of the county's best citizens, which occurred at his home near Tarpley Friday, January 11. Captain Wright had been sick for some time, but became worse about a week before his death. He was the father of eleven children, eight of whom are living. Three of his children, Mrs. Ivy Wright, Jim and Lonnie Wright, were at his bedside when the end came. Burial took place at 4:00 p. m. Friday.

Captain Wright was one of Nature's noblemen. He was loved and esteemed by all who knew him, and it is with great sorrow that we chronicle his passing, for a good man has gone from us whose place cannot be filled. The world was made better by his having lived among us, for he exerted an influence for good wherever he lived. Our sympathy goes out to the sorrowing children in their affliction.

FROM THE SABINAL SENTINEL.

Miss Fly spent the week-end with her home folks at Hondo.

Mr. and Mrs. Joe Burgin and children of Yancey were here Sunday to visit Mrs. Burgin's sister, Mrs. Roy Spence, who is here from Eagle Pass.

YANCEY VS. DEVINE.

The opening game of the Basket Ball season for Medina county was played Friday, January 18th, between Yancey and Devine on the Yancey court. Judging from the initial game, it is a little hard to predict the ultimate outcome of the contest.

From the first toss-up the game was a fast one. It was several minutes before either side scored, and then it was Devine who won the coveted points. Bailey got the ball and, in spite of the desperate efforts of his guards, succeeded in making a sensational throw from under the goal as he was driven under it. Exact data is not at hand as to who scored the following points. The first half was a tie not only in points but in every respect the teams were apparently equally matched, in spite of the crippled condition of the Yancey quintet, out of which two leading men had been lost.

The second half began with a spurt from Devine which took them well into the lead. The third quarter was a bad one for Yancey, who did not score during the period. At the end of this quarter, Ray Ward was substituted for Duncan, and did some good work. In the last quarter Yancey rallied and made three field goals in rapid succession. However, Devine made several more and the game ended with the score 19 - 12 in favor of Devine.

Devine really owed much of her success to the successful long shots taken by Thompson and Taylor, both of whom made several shots from near the middle of the court, while Bohmfalk and Crain tried in vain to ring a few from these distances.

It is hard to select the stars of the game. It was, as should be, a five-man game from the beginning. It can be said, however, that for Yancey, Captain Radetzky perhaps showed to the best advantage. He played in guard's position during the first three quarters, but still he was high point man. Covering the whole court he played both defensive and offensive basket ball. Although closely guarded by two men, Oefinger did some wonderful work, scoring four of the twelve points made by Yancey. It is due to his being a marked man that his score did not run higher. Crain played excellent form at guard, making some wonderful displays of strength and ability, and several times leaping high in the air to divert a well aimed ball.

Bohmalk, center, was a tower of strength all through the game, never scoring but always fighting with the team to recover and "bring the ball home". Our two substitutes, Duncan and Ward, did some mighty good work despite their handicap of weight and experience.

Devine played a very strong game from beginning to end. It is hard to spot their stars, although it is perhaps fair to point out for special mention, Captain Bailey, Thompson and Taylor.

Especially noticeable was the spirit of sportmanship displayed by both teams and schools. After the game the Department of Home Economics served excellent refreshments in the D. E. room. Both teams appreciated this and had a pleasant time for a few minutes together. A few speeches were made after refreshments and then Devine left for home.

We hope that Yancey will be able to give Devine and Hondo some keen competition all along the line this year in the Interscholastic League work, and want to urge every student to enter some event and enter to win.

MARRIED IN SAN ANTONIO.

At St. Mary's Catholic church in San Antonio, Wednesday, Jan. 16th, Miss Louisa Cornelia Brieden, daughter of Mr. and Mrs. Gus Brieden, of Devine, was united to Mr. Edward J. Poerner of Devine, Rev. Danocar, officiating. After the ceremony the wedding party came to Devine where a supper and dance was given at the home of the bride's parents. They will make their home at 217 Uvalde St., San Antonio.—Devine News.

"Slimy Taste"

"When I feel stupid, get constipated, or bilious, I take a good dose or two of Black-Draught and it sets me straight," writes Mr. George B. Haislep, of R. F. D. 2, Columbia, S. C. "It cleanses the liver and I feel all right, and have not used any other medicine as I do not see the need of it. I am a guard at the State Reformatory, and have been for three or more years. When I first heard of

BLACK-DRAUGHT

Liver Medicine

and the good medicine it was, I had been having a tired feeling when I'd get up in the morning. I would be stiff and sore, and had a slimy, bad taste in my mouth, but didn't think so much of it till I began to feel stupid and didn't feel like eating—then I knew I needed medicine. It was then I began Black-Draught, and I felt all made over, ready for any kind of work, ready to eat and sleep. So, for any return of this trouble, I take Black-Draught, and for 25 years it has been my medicine, and I wouldn't be without it at all. My work is constant. I am on my feet a lot. I am out of doors, and fresh air and Black-Draught are all the medicines I need. I recommend it to others for I know it is good."

"A MIGHTY HEAP O' GOOD CHEER."

By Fletcher Davis.

Oh! there is a mighty heap o' good cheer
In many mighty little things we hear
When a fellow feels he's all down and out
And all his plans are going up the spout!

When you are cooped up in a stuffy room
That is thick with medicine fumes and gloom,
Believe me, it's a mighty pleasant thing
Just to hear a bird at your window sing!

When the walls grow wearisome to your weak
And weary vision, and in vain you seek
Relief from the slow tread of leaden hours,
Oh, there is magic in a sprig of flowers!

It's mighty good as on your bed you lie
To have a neighbor who was going by
Drop in on you and for a spell just sit
And talk—and jolly you along a bit!

When you are tossing on a couch of pain,
And feel you'll never be yourself again,
It's mighty good to hear the doctor say—
"We'll have you up and out right away!"

And when a fellow hobbles down the street
It's mighty good to hear fellows you meet,
Even though they do not their greetings shout,
Say as they pass you—"Glad to see you out!"

So when a fellow is all down and out,
Do not treat him like you are in a pout;
For there is a mighty heap o' good cheer
In many mighty little things we hear!

MRS. ANNA CHRISTINA BALZEN DEAD.

Mrs. Anna Christina Balzen, nee Eckhart, died at her home in Quihi at 4:30 o'clock, January 22, 1924, after an illness of almost two years. She was buried at the new cemetery at Quihi Wednesday afternoon, January 23, 1924, at 4:00 o'clock. Rev. G. E. Grueber, Pastor of St. Paul's Lutheran church, officiating. The pall-bearers were Messrs. Geo. Balzen, Otto Lindeburg, Charles Ross, Phillip Eckhart, Henry Buss and Arnold Balzen.

Deceased was born at Quihi, April 17, 1885. She was confirmed in the Quihi Lutheran church March 26, 1899. She was married to Fritz Balzen on the 26th day of October 1902. To this union there were born three children, Harry Herman, Roland Gottlieb and Oscar Louis. One son preceded her in death on August 28, 1909. Mrs. Balzen was taken sick September 1, 1922, and her death came as a relief to a long period of suffering. She is survived by her husband, two sons, three brothers and three sisters, and two half sisters and one half brother. One sister preceded her in death some eight years ago and her parents some 25 years ago. Besides these, she leaves a number of others, near and dear relatives and friends, to mourn her untimely departure.

This paper joins in sympathy for the bereaved husband, the motherless boys and the others who will miss her presence and mourn because of her passing.

DIED.

Mrs. C. N. Brown, aged 82 years and six months, died at the home of her daughter, Mrs. W. H. McClaugherty, Wednesday, January 23, 1924. Mrs. Brown had been sick for a long time, and on Thursday of last week she was stricken with paralysis from which she never rallied. The body was tenderly laid to rest Thursday afternoon in the new cemetery, her pastor, Rev. A. M. Foster, performing the last sad rites according to the ritual of the Methodist church.

The deceased is survived by three sons, W. L. Brown of Hardin, Texas; J. D. Brown of Seguin, Texas; and S. A. Brown of Beaumont, Texas; and one daughter, Mrs. W. H. McClaugherty of Hondo. Two daughters, Mesdames J. H. Busbee and J. A. Ellis, both formerly of Beaumont, and one son, C. H. Brown of Houston, preceded their mother in death. Twenty-eight grand-children and twenty-six great-grand-children also survive her.

Another aged Christian mother has gone to her reward after many years of faithful service. May the Father in whom she trusted bring balm to the grieving hearts that were torn by her passing.

Boost, Don't Knock. Co-operation is the Thing.

It has been well said the "THE FINANCIAL RESOURCES OF A COMMUNITY ARE THE BAROMETER OF ITS PROSPERITY" and that when you add to these resources you aid its progress but when you, in any way, are instrumental in subtracting or detracting from these resources, you proportionately obstruct progress.

And so it is, friends, that whenever you patronize some other community instead of your own, you do so to the benefit of that other community and to the detriment of your own. NOW WHY SHOULD YOU TRADE AT HOME? If you will just stop and think about it, you will admit that there is indeed a pleasing mutuality of interests brought about by the act of trading at home among your friends.

The contrast between this method and the one which involves an expenditure away from home and with strangers, is very great. THE HOME MERCHANT APPRECIATES YOUR PATRONAGE AS MUCH FOR THIS EVIDENCE OF YOUR FRIENDSHIP AS HE DOES FOR THE PROFITS ACCRUING FROM YOUR PURCHASE. On the other hand you very well know that the only interest the stranger you deal with has in you is brought about by the dollar you have to spend with him. That is the exact difference between a friendly trade and a cold-blooded business transaction.

There is no use contradicting the fact, folks, that we often do things

on the impulse of the moment, things we would not do if we paused long enough to give the matter a little sober thought. For instance, we pick up a paper from the big city near by and see an announcement of a "WONDERFUL BARGAIN SALE". Without stopping to consider the matter seriously, we send an order away to a stranger, when in all probability we could have bought the same goods right here in Hondo at just as reasonable a price.

It has been said that, "KEEPING OUR MONEY CIRCULATING AT HOME, PATRONIZING HOME TRADE, is the first step, and the main essential, in the building of a REAL CITY". This is indeed true. HOME LOYALTY MEANS CO-OPERATION and IN CO-OPERATION WE HAVE POWER BEYOND COMPARE.

Someone has said that "Every Knock is a Boost". DON'T YOU BELIEVE IT. A "KNOCK" is always made up of some brand of poison, and even our friend optimist who carved that saying would side-step poison.

DON'T KNOCK. BOOST IS THE STUFF, and remember that the pathway is open to you if you desire to extend the co-operation you justly owe to this wonderful community. Just as surely as you realize the beauty of the sentiment found in the Golden Rule, and endeavor to live up to it, just that surely must you realize that HOME LOYALTY

PRACTICED is but another way of proving to your friends what sort of a citizen you really are.

NOW LET'S PUT THIS INTO PRACTICE. The next time you need merchandise or service, and the next and the next, BUY IT IN HONDO. This is a simple procedure, easily followed, but the result is wonderful to contemplate. It keeps your money in circulation in your own community, banks it here and thus helps to build up and constantly add to the financial resources of the community.

On the other hand, sending or spending your money away from here is a distinct loss to Hondo and its people. You have side-tracked a substantial portion of the community's assets and transferred them to some other community. You have really done your home town and merchants an injury and yourself no material good.

MERCHANDISE AND SERVICE OF THE BEST IS HERE IN ABUNDANCE. There isn't a business man in Hondo today but who is ready to serve you to your satisfaction both as to quality, quantity and price. We want you to look over the names of those who are responsible for this page and you will realize that this is true. And these are but a part of the number ready to serve you and treat you right.

THINK THIS OVER FOLKS, AND IN THE FUTURE LET'S TRADE AT HOME.
